SUBJECT: U.S.-Russia Summit Results Demarche Delivered: Greek MFA  
Officer Praises Nonproliferation Negotiation Efforts

REF: STATE 70576

(SBU) PolOff delivered reftel points to Greek Ministry of Foreign Affairs Russia Desk Officer Constantinos Tsakonas on July 10. Tsakonas thanked PolOff for being forthcoming with details from the U.S.-Russia Presidential Summit and spoke highly of efforts made to reinvigorate nonproliferation negotiations. He praised President Obama for "following through on campaign commitments" regarding nonproliferation and was happy to hear that U.S. negotiators were working with the Russians on a follow-on agreement to the START treaty. Tsakonas, who previously covered NATO and U.N. issues, estimated that U.S.-Russia negotiations would act as a "breath of fresh air" and reinvigorate U.N. and regional talks on arms control and disarmament.
